Intro

C Gsus4/B | Am G | F | G | C Gsus4/B | Am G | F | G

Verse 1 (SCOTT)

```
C       Gsus4/B  Am         G          F       G
I went on  the  search for something true
C       Gsus4/B  Am         G          F       G
I was almost    there when I found you
C       Gsus4/B  Am         G     F                       G
Sooner than  my  fate was wrote, a perfect blade had slit my throat
     C         Gsus4/B  Am         G      F       G
and beads of lust    released into the air
      F       G
When I awoke you were standing there
```

Interlude

C Gsus4/B | Am G | F | G | C Gsus4/B | Am G | F | G

Verse 2 (SETH)

```
C       Gsus4/B  Am         G       F          G
I was on  the   mend when I fell through
     C   Gsus4/B     Am G         F       G
The sky around   was  anything but blue
   C          Gsus4/B Am        G     F                     G
I found as I      regained my feet  a wound across my memory
      C   Gsus4/B    Am         G       F        G
that no amount  of   stitches would repair
      F          G                  C
But I awoke and you were standing there
```

Interlude

__Chorus__

```
        C        Gsus4/B Am  G    F                 G
There's no fortune at  the  end of a road that has no end
              C        Gsus4/B Am   G        F                 G
There's no returning to  the  spoils once you've spoiled the thought of them
          C        Gsus4/B Am   G         F              G
There's no falling back  to  sleep once you've 'wakened from the dream
              C       Gsus4/B Am   G
SCOTT   Now I'm rested and I'm  ready,
        F           G         C    Gsus4/B | Am G | F
SETH    I'm rested and I'm ready to begin
        G          C    Gsus4/B | Am G | F | G
        I'm ready to begin
```

__Verse 3 (SCOTT)__

```
C      Gsus4/B Am       G        F     G
I went on  the  search for something real
   C       Gsus4/B Am       G    F    G
I traded what  I  know for how I feel
         C       Gsus4/B Am      G       F                 G
But the ceiling and the  walls collapsed, upon the darkness I was trapped
     C       Gsus4/B Am      G        F   G
and as the last    breath was drawn from me
F              G
light broke in and brought me to my feet
```

__Chorus__

```
C G/B | Am G | F | G
            C        Gsus4/B Am  G    F                 G
There's no fortune at  the  end of a road that has no end
              C        Gsus4/B Am   G        F                     G
There's no returning to  the  spoils once you've spoiled the thought of them
          C        Gsus4/B Am   G         F              G
There's no falling back to  sleep once you've 'wakened from the dream
              C       Gsus4/B Am   G

SETH    I'm rested and I'm ready
              C       Gsus4/B Am   G
SCOTT   Yeah I'm rested and  I'm ready,
          F           G        (G)

            C    Em   Dm       G          C    Em | Dm | G | C
