Love Like the Movies   *The Avett Brothers*

Harmony

Chorus

```
        G             D            G
So you want to be in love like the movies
          (G)          D            G
but in the movies they're not in love at all
        Em            D
With a twinkle in their eyes (Ooh-wah-ooh)
B7                        C
they're just sayin' their lines
        G     D    C    D       G
so we can't be in love like the movies
```

Verse 1

```
            B7          C          G
Now in the movies, they make it look so perfect
            B7                      C              G
and in the background they're always playing the right song
            B7          C       G
and in the ending there's always a resolution
      B7        C         G    D    C
but real life is more than just two hours long
```

Chorus

```
        G             D            G
So you want to be in love like the movies
          (G)          D            G
but in the movies they're not in love at all
        Em            D
With a twinkle in their eyes (Ooh-wah-ooh)
B7                        C
they're just sayin' their lines
        G     D    C    D       G
so we can't be in love like the movies
```

Verse 2

```
          B7              C          G
Well you can freeze frame any moment from a movie
          B7            C              G
Or run the whole damn thing backwards from reel to reel
      B7                C            G
But I don't see one single solitary light technician
     B7         C        G    D   C
Or one single camera in this moonlit field
```

Chorus

```
        G           D           G
I don't want to be in love like the movies
            (G)           D           G
'cause in the movies they're not in love at all
      Em              D
With a twinkle in their eyes (Ooh-wah-ooh)
B7                      C
they're just sayin' their lines
     G     D    C    D       G
so we can't be in love like the movies
          Em              D
And with a twinkle in their eyes (Ooh-wah-ooh)
B7                      C
They're just sayin' their lines
        G     D    C    D       G
and so we can't be in love like the movies
      (G) D      C      D           G
No---- we can't be in love like the movies
